

## **Curry Menu**

**January 2025** <sup>v2</sup>

All our curries are made from scratch in our kitchens, by our chefs using traditional spices & authentic recipes. No pastes are used and all curries have individual Masala sauces. All our curries are gluten free.

Our rice is also made in house, Basmati has some Indian seeds, salt & pepper for flavour, it is cooked in steam to use very little water to preserve the flavour.

Pilau has turmeric, cumin & coriander with a touch of cinnamon, crushed seeds, salt & pepper. This is also cooked in steam to use very little water & ensure the flavour.

Don't want rice; try a couple of chapatis and parathas to mop things up.
